**Douglas L. Beck Au.D.**

Dr. Beck earned his master's degree at the University of Buffalo (1984) and his doctorate from the University of Florida. His professional career began in Los Angeles at the House Ear Institute in cochlear implant research and intraoperative cranial nerve monitoring. By 1988, he was Director of Audiology at Saint Louis University. Eight years later he co-founded a multioffice dispensing practice in St Louis. In 1999, he became President and Editor-In-Chief of AudiologyOnline.com, SpeechPathology.com and HealthyHearing.com.

Dr. Beck joined Oticon in 2005 as Director of Professional Relations. From 2008 through 2015, Beck also served as Web Content Editor for the American Academy of Audiology. In 2011, he became Adjunct Professor of Audiology at Lamar University. In 2016, Beck was appointed Senior Editor for Clinical Research at the Hearing Review and was promoted to Director of Academic Sciences at Oticon Inc. Also in 2016, he was appointed adjunct Clinical Professor of Communication Disorders & Sciences at the State University of New York at Buffalo.

Dr. Beck is among the most prolific authors in audiology with 154 published articles and more than 1100 abstracts, interviews and op-eds written for the AAA (2008-2015) and Audiology Online (1999-2005) addressing a wide variety of audiology and professional topics.

More information, a free copy of THE HANDBOOK OF INTRAOPERATIVE MONITORING and numerous PDFs are available at [www.douglasbeck.com](http://www.douglasbeck.com)

**Joseph F. Hribar, Jr., Au.D.**

Audiologist, Global Audiology & User Experience – Chicago, GN ReSound  
Joseph (Joey) Hribar, Au.D. is a research Audiologist with the GN ReSound Global Audiology & User Experience Team in Chicago, IL.
